The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. <i>/J J Swann/ Supervisory Patent Examiner, Art Unit 3785</i>		<i>/A. C./ Examiner, Art Unit 3785</i>	

Continuation of 11. does NOT place the application in condition for allowance because: Applicant's reply would overcome the following rejection if entered: the rejection of claims 31, 34, 36-49, 52, and 54-66 under 35 USC 112 as indefinite because of the word "about". This does not overcome the art rejection of record.

Regarding the submitted "Examiner Interview Summary" the examiner must emphasize that there was an informal telephone conversation, but not an interview.

The number of references applied does not, in itself, weigh against obviousness. See MPEP 201, especially form paragraph 7.37.06.
